

Activities

Itaga Lodge has traversing rights over more than 12,000 hectares of bushveld which is home to elephant, lion, leopard, rhino, hippo, buffalo, giraffe, zebra, wildebeest, hyena, warthog, a wide variety of antelope and bountiful bird life.

Guests can enjoy an early morning or afternoon game drive with an experienced ranger in our open 4x4 game viewing vehicles.

Like many other private game reserves, the big cats in our reserve are contained in a separate high security, fenced area. For your convenience, we have enclosed some details below for visits to the Mabalingwe Predator Park as well as a number of other optional extra activities which are available in the area.

Transport, at an additional cost, can be arranged with the manager on duty for activities which do not include transfers.

Bookings are essential as activities have limited availability, particularly over weekends, on public holidays and during the school holidays. It is therefore imperative to make your booking as far in advance as possible. Please advise if you would like us to make a booking on your behalf.

Kindly note the following Terms and Conditions:

- Activity prices and times are subject to change without prior notice;
- Independent operators charge a 100% cancellation fee on all activities which are booked and subsequently canceled, Itaga accepts no liability in respect of these fees and they will be passed on to the guest in full;
